ALL CAMPERS, NEXT STEP

At GLHF we understand that families have different capacities to invest in camp. Camperships are available to ALL campers. If you are moved to donate to camp to invest in the future of our program, you may do so by selecting an amount that you are most comfortable with and complete the campership section in the Health Profile.

DO NOT USE the **Protection Plan or Labels** option.

Woohoo, you completed the first step of registration! **You will need to repeat the above listed steps for each camper you are registering.**

Please complete each section in the **camper profile**. Your Hemophilia Treatment Center will be notified to complete the **provider form**. **This is not your responsibility.**

Returning Campers, please update and verify all previously entered information.

Once you complete a section the dot turns from red to green. **When you see all green, CONGRATS, you are registered!**
